

“Food & Beverage Service Management” Professional Course

Master every aspect of food and beverage service management to enable you to successfully work in 5-star restaurants and to eventually manage any restaurant.

A 10-week course leading to the

Professional Qualification in Food & Beverage Service Management comprising of:

40 hours of Food & Beverage Service Management Theory
(10:00-12:00, 2 days a week)
+
150 hours of practical training in the restaurant of our Hotel School
(12:00-15:00, Monday to Friday)

The course is designed to enable participants increase their understanding of F&B management through exposure to many theoretical concepts and practical operations in an F&B setting (real restaurant) and to prepare them to the required proficiency to provide quality service within the context of a food service operation.

By the end of the module students will be able to:

1. Understand and apply the knowledge gained to provide the guest with *Service* from a Food & Beverage perspective under supervision;
2. Identify the operating equipment required in order for the *Service* to be fulfilled with limited supervision;
3. Perform F&B department individual tasks and procedures under supervision;
4. Understand the fundamental of Food & Beverage operations, management and marketing;
5. Describe the basic elements of facility design;
6. Understand the fundamentals of financial management.
7. Perform 150 hours of F&B practicals in a real restaurant
8. Perform supervisory tasks in the restaurant

Course dates: (8 January to 24 March 2018) or (8 October to 21 December 2019)

Tuition & Fees: €2,500 This includes a three course lunch every day, 5 days a week.

Special Offer to members of F&B MasterClasses: 20% discount = € 2,000
